Subject: Invitation to Attend the Conference on Diagnostic Proteomics in Clinical Practice

Dear Dr.
Greetings from the Organizing Committee!

We are pleased to invite you to the upcoming **Conference on “Diagnostic Proteomics in Clinical Practice”**, which is scheduled to be held on **31st July 2025** at the **SET Facility, 2nd Floor, Convergence Block, AIIMS, New Delhi**.

This conference aims to bring together distinguished clinicians, researchers, and healthcare professionals to discuss the growing role and potential of proteomics in modern diagnostic and clinical applications. The scientific program will include keynote addresses, expert sessions, and case-based discussions designed to encourage interdisciplinary dialogue and knowledge exchange.

We have the pleasure of hosting **two eminent international speakers**, who are doyens in their respective fields:

- **Dr. Sanjeev Sethi**, from **Mayo Clinic, Rochester (USA)**, known globally for his pioneering work on the application of laser capture microdissection and mass spectrometry in the diagnosis of kidney disease.
- **Dr. Ashutosh Wechalekar**, from the **National Amyloidosis Centre, London (UK)**, a leading authority in the field of Amyloidosis and its diagnostic and therapeutic advances.

We would be honoured by your presence and participation at this academic gathering. We believe your involvement will greatly contribute to the depth and success of the event.

We look forward to welcoming you to the conference.

Warm regards,
Organizing Committee,
Diagnostic Proteomics in Clinical Practice
